

Your one-stop-shop of quality solutions for the management of REACH* Consortia

Kellen Europe has the knowledge, expertise and capability to manage Consortia in view of their compliance with the REACH Regulation

Who We Are

Kellen Europe's primary objective is to provide key professional services to European and global business associations, individual membership organisations and consortia. Dedicated to the concept of Association Management, Kellen Europe has, over the last 20 years, consolidated experience regarding emerging and/or existing associations to provide organisational solutions, strategic advice and overall management.

What Kellen Europe Can Offer REACH Consortia

In addition to the full management services, REACH Consortia have additional requirements that pertain to complying with REACH Regulation. Kellen has developed extensive expertise and knowledge based on these specific requirements.

Those services include:

- ✓ Full Consortia management/Financial management and accounting/Membership services
- ✓ Provide strategic direction to the Management Committee
- ✓ Ensure implementation of the Consortia's Strategic Plan
- ✓ Create, update and enforce the Consortia Road Map
- ✓ Management support to the REACH Manager as well as to the Committees
- ✓ Communication within SIEF/Consortium for the members
- ✓ Manage contacts to SIEF members/Membership retention and recruitment
- ✓ Manage contacts with third parties on behalf of the Consortia (test houses, suppliers, downstream users, lawyers, ...)

Added value to using Kellen Europe to facilitate your compliance with the REACH Regulation

Kellen is best positioned to support the REACH Consortia, through its added values:

- ✓ Long standing experience in association management
- ✓ Exhaustive experience in developing effective governance structures and consensus building processes
- ✓ Recognised expertise in advising organisations on how to maximise their added value to their members
- ✓ Deep understanding of the needs of Consortia related to risk assessment of chemicals
- ✓ Knowledge on and expertise of the REACH legislation, its implementation and the different steps to be undertaken for REACH compliance
- ✓ Extensive network of contacts at institutional and at corporation levels within the chemical sector
- ✓ Professionalism and Quality, Neutrality and Efficiency due to team approach
- ✓ Multi-skills and multi-language staffs
- ✓ Central location in the heart of Europe
- ✓ The use of meeting rooms on Kellen premises

*(Registration, Evaluation, Authorisation and Restriction of Chemicals)

How We Work

A dedicated team to REACH Consortia

We put together project teams composed of professionals who are carefully selected in consultation with the client. Kellen Europe staff members have a variety of complementary backgrounds and skills, are competent in at least three European languages and have extensive experience in association management.

Through our team structure and the availability of backup whenever required, we guarantee continuity and flexibility at all times.

Kellen Europe is the European base of the Kellen Company, the premier professional services firm for associations. It has offices in Atlanta, Washington DC, New York City, Tucson, Beijing, Brussels and has representation offices in the Middle East, India and Singapore.

With over 185 employees and 7 offices worldwide, the Kellen Company is the foremost global firm serving associations. Our Europe-based Kellen team includes 30 experienced professionals.
