WHY KELLEN EUROPE?

Kellen Europe's primary objective is to provide key professional services to European and global business associations, individual membership organizations and consortia. As the leading Association Management Company in Brussels, Kellen Europe has gathered, over the last 20 years, considerable expertise that enables the company to rapidly anticipate the needs of emerging or existing associations and to provide tailored organizational solutions.

Kellen Europe's multi-skilled and multi-language staff has a deep understanding of the needs of consortia related to risk assessment of chemicals, a thorough knowledge and expertise of the REACH legislation, its implementation and different steps to be undertaken for REACH compliance.

Furthermore, over the years, our professionals have built up an extensive network of contacts at institutional level as well as at corporate level in the chemical sector.

Due to our team approach, working with Kellen Europe is a guarantee for professionalism, quality, neutrality and efficiency.

Kellen Europe's offices are located centrally, in the heart of Europe and offer a wide range of meeting facilities.

REACH SERVICES

In addition to the full management services, REACH consortia have additional requirements that pertain to complying with REACH regulation. Kellen Europe has developed extensive expertise and knowledge based on these specific requirements. Those services include:

- Full consortia management; financial management and accounting as well as membership services
- Providing of strategic direction to the Management Committee
- Ensuring implementation of the consortia's strategic plan
- Creation, updating and enforcing of the consortia road map
- Management support to the REACH manager as well as to the Committees
- Communication within SIEF/consortium for the members
- Membership retention and recruitment
- Communication with consortia stakeholders and third parties (test houses, suppliers, downstream users, lawyers, etc.)
